The use of Bible quotes within this course conforms to the copyright exceptions of all these publishers.

The following systematic adjustments have also been made to Bible quotes:

- The Old Testament tetragrammaton name of God (derived from the four Hebrew letters translated into English as YHWH) has been rendered LORD unless translated Jehovah or Yahweh
- Pronouns referring to the Trinity and some specific terms relating to the Trinity (such as Name and Word) have been capitalized
- Speech marks around entire quotes and at the beginning of new paragraphs have been omitted
- Anglicised spellings have been used
- All quotes begin with a capital letter and end with a full stop
- Some weights, measures and times have been replaced with easier to understand terms given in the footnotes using square brackets
- All verse numbers, footnote numbers and symbols have been removed
- Poetry has been indented and only new sentences start with a capital letter
